3K and 4K News

Ms. Jacobs

We have been learning about all different kinds of weather this week!

We have been talking a lot about how important the sun and rain are to our planet, and that if we didn't have them, nothing would grow! We have been learning a little bit about "The Water Cycle". We have learned that when clouds hold too much water, they let that water go, which makes rain!

3K and 4K News

Ms. Jacobs

Last week, was a fun few days before break! We finished up our Ressurection Eggs, had a visit with Kindergarten, had a visit with Sister Jenada, saw the Stations of The Cross performed by 4th-8th grade, read outside, watched a fun Easter movie, and had some fun Easter snacks!

5K News

Ms. Lefeber-Krenn

The last two weeks have been short and fast with lots of learning fun! In **science,** we are on life cycles of the butterfly, tadpoles, and watching the process of our plants growing.For **math** they finished unit 10 on numbers 11-20 with compose and decompose numbers.

Happy Easter! Mass was a celebration of Jesus' resurrection! Center time has been hard work working on phonics with CVC and CCVC words.

Ms. Lefeber-Krenn

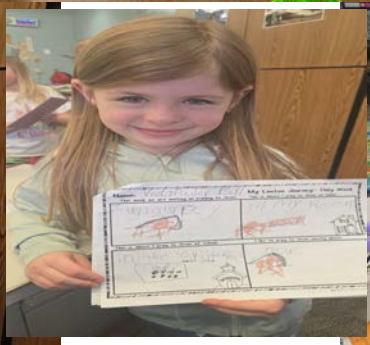

Happy Birthday to Hailey last week Monday! We enjoyed the stations by 4th-8th grade, a visit from sister Jenada, shared our Peep stories with preschool, 1st, and 2nd grade. Made sentences with write the room, and finished our 5 weeks of Lent unit for **Religion**. They enjoyed Veggie tales with prechool and made bracelets with 1st grade!

1st Grade News

Mrs. Greuel

ELA: We have started learning about biographies this week. We read a biography about Eleanor Roosevelt and have been practicing finding the main idea of texts. They are doing well with our new spelling words using the diphthongs oi and oy.

Math: We've moved on to subtracting tens and ones. All the strategies we learned for adding tens and ones have been really helping us with subtraction!

1st Grade News

Mrs. Greuel

Religion: Last week we participated in the Living Stations of the Cross performed by 4th-8th grades. In class, we are learning about how receiving the Eucharist is a gift from Jesus. Join us next Wednesday at Mass, our class will be the song leaders!

Science: We started a new unit about living things. We are learning about why roots, stems and leaves are important. They enjoyed making flower models and labeling the parts of the plant.

2nd Grade News

Mrs. Oye

The students earned a slime making reward for Mastering 100 IXL skills in both Language Arts and Math.
The next reward is an ice cream party, they can choose either a root beer float or a sundae.

The 2nd grade lead Mass this week. Thank you to Nora, Jayla and Jack for reading on short notice. Henry and Max presented the gifts along with Sloan from 3rd grade.

2nd & 3rd Grade News

Mrs. Burkart

Mass: This past Wednesday was <u>Winston's</u> first time to serve at Mass. <u>Job well done</u>, and thank you <u>Henry B</u>. for being a wonderful peer mentor.

<u>Sloan</u> will serve on Wednesday, April 15th.
<u>Alexander</u> will serve on Wednesday, April 22nd.

2nd & 3rd Grade News

Mrs. Burkart

Social Studies: The 2nd and 3rd Grade Students are beginning to learn about America's 250 Years of History. Each student is reading a chapter book from *The What Was …?* bookseries.

Students are also making a historical timeline to better understand the chronological order of important events in America's history.

Events include:

What Was the Declaration of Independence,
What Was the Louis and Clark Expedition
What Was the Alamo
What Was the Gold Rush,
What Was the Battle of Gettysburg,
What Was the Wild West
What Was the Industrial Revolution,
What Was Ellis Island,
What Were the Roaring Twenties
What Was the Great Depression,
What Was Pearl Harbor,
What Was "D" Day,
What Was Hurricane Katrina,
What Were the Twin Towers

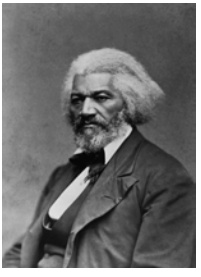

2nd & 3rd Grade News

Mrs. Burkart

ELA: The 3rd Grade students continue reading various biographies in the Savvas Literature textbook. In the past few weeks they have been introduced to Jane Addams, Sojourner Truth, and Frederick Douglass.

Coming up soon will be a "sweet" biography on Milton Hershey.

Something extra in Science:
Mixture or Solution
The 2nd and 3rd Grade students displayed some colorful and creative art by dissolving skittles in warm water creating a **SOLUTION.**

2nd & 3rd Grade News

Mrs. Burkart

Religion: 2nd and 3rd Grade Students have been learning about the Divne Mercy Prayer … Jesus, I trust in you!

St. Faustina followed Jesus's instructions to create an image of him portraying his divine mercy. The red ray pouring from his heart symbolizes the Eucharist, Jesus's blood and sacrifice that renews our life - free from sin. The white ray symbolizes our Baptism, the water that cleanses and keeps our hearts and souls pure. This image and prayer reveals God's everlasting love, and his infinite forgiveness of our sins.

Thank you, Father Paul for visiting our class on Wednesday. We enjoy and appreciate our time together.

Starting today the 2nd and 3rd grade students will end their day at 3:00 with a shorten version of the Divine Mercy Prayer.

Testimony to the power of the Divine Mercy prayer … With permission from a parent, Mrs. Burkart shared the struggles and blessings experienced by a former SMSA high school student who battled with a life threatening cancer. This young man and his family found great strength and hope in the simple prayer "Jesus, I trust in you!" During their times of uncertainty, their suffering was lifted by God's divine love and grace. This young man has been cancer-free for three years. Although he experiences side-effects from his bone marrow transplant. He lives a full and active life, and is studying in college to be a nurse to someday help children with cancer. The 2nd and 3rd grade students are in awe with this young man's strength and faith in God. "Jesus, I trust in you!"

4th-8th Grade News

Mrs. Rammer

Grades 3-8 did a great job presenting the Stations of the Cross for our school retreat on March 31st.

Happy Easter!

Thank you, Mrs. Will, for the great group photos!

4th-8th Grade News

Mr. Zeleske

Social Studies: This week, the younger students read the Bill of Rights. They worked together to figure out what each amendment meant. Then they made a poster for one of the amendments! The older students spent the week reviewing Australian and Polynesian history. They made a "living timeline" by choosing and acting out different events we studied. After that, they learned about the region's cultures and governments. The students acted out how Europeans kidnapped and assimilated Aboriginal children (left). They also acted out how the Polynesians built boats to reach faraway islands (right). These are just two of the many events they reenacted!

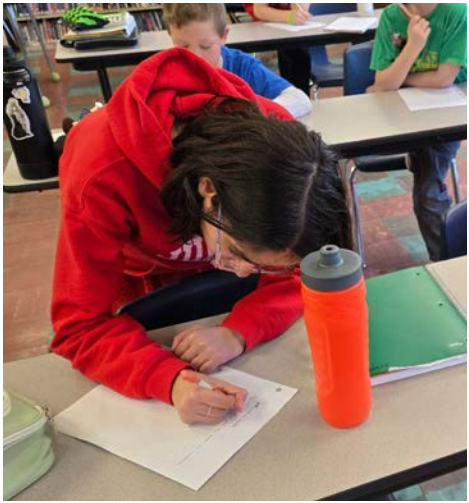

4th-8th Grade News

Mr. Zeleske

Religion: This week, this students learned about the final Beatitude. We also reflected deeper on “Blessed are the merciful” by learning about the Works of Mercy. The students came up with ways that they can enact these Works of Mercy in their daily lives.

ELA: The 4th and 5th graders learned and reviewed subjects, predicates, conjunctions, simple sentences, and compound sentences. They practiced these skills by writing simple sentences, then adding to the simple sentences that their classmates wrote to form compound sentences.

Music, Phy. Ed., Art, Library

K-1: The Jellyfish Dance

2-3: Coast to Coast

Music and Movement fun during music class. Students had to follow along to the dances. We finished up with a calming activity before heading back to class.

6-8: Kids Bop

4-5: The Pirate Life

Four Houses, One Family

Thank you to everyone for supporting our Chicken Pot Pie Fundraiser. All together we sold 345 pot pies, and Salchert Meats is graciously donating $3.00 per pie. Congratulations to each House for increasing their initial $50 to over $300. Job well done!

St. Germaine House will be supporting Full Circle Community Closet in New Holstein.
St. Isidore the Farmer House will be supporting the Capuchin's St. Ben's Meal Program in Milwaukee.
St. Nicholas House will be supporting The Boys and Girls Club of Fond du Lac.
St. Patrick House will be supporting Fond du Lac Fishing Has No Boundaries.

To all families who have purchase chicken pot pie vouchers… Please call Salchert Meats ahead of time. They are doing their best to keep pot pies stocked; however with 345 sold they might run out from week to week.

920-999-2651

Today, Houses will have a brief meeting to begin planning and organizing the purchase and distribution of donated items for their charitable organizations. Following the meeting, students will all go to church to pray the Rosary, the Glorious Mysteries. The intentions of prayer are for World Peace during this time of conflict.💛
