- Mr. Zeleske, 4th-8th Grade Social Studies, ELA, Religion
- Ms. Lamb, Art and Phy. Ed.
- Mrs. Steffen, Library
- Mrs. Oye, Learning Support

All School Wish List ~

- Blinds for classrooms and office areas
- 15 student chromebooks
- 2 teacher laptops
- 1 learning support laptop
- Sidewalk chalk

HOLYLAND CATHOLIC SCHOOL

3K and 4K News

Ms. Jacobs

This week we have been learning all about the garden! We learned the parts of a flower, and what plants need to grow. We planted flowers at the beginning of the week, we cannot wait to see them grow! We put our plant knowledge to the test by completing a worksheet identifying different parts of a flower!

3K and 4K News

Ms. Jacobs

5K News

Ms. Lefeber-Krenn

Science has been fun with watching our Butterflies come out of the chrysalis. We are watching the Tadpoles grow and now are learning about Aqua Dragons! In **Math,** we finished unit 11 on numbers up to 100 with patterns. We start unit 12 with shapes next week! Happy Birthday Jacob on the 14th!!

5K News

Ms. Lefeber-Krenn

We are putting our **reading** skills to work in partner reading time as we choose the Bible!

Father Paul came and talked to us about Pentecost and read to us from our new class Bible! For **Religion** we learned about Saint Bernadette and are learning how to fill in the missing words of prayer! Our **writing** is amazing as we wrote stories about the butterfly's life cycle and made our own butterfly!

1st Grade News

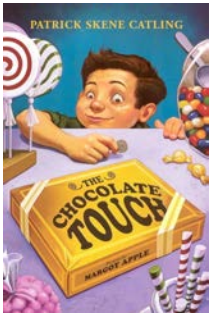

Mrs. Greuel

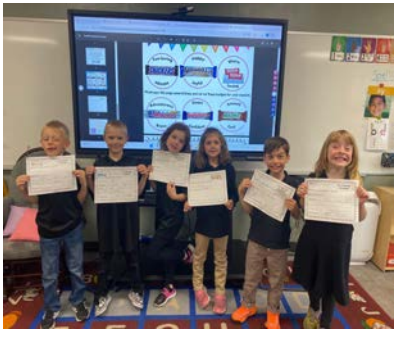

ELA: This week we started a class read aloud of the book, “The Chocolate Touch”. To go along with the chocolate theme, we did a candy bar personality activity. Each student chose the candy bar that matches their personality and described why it fits them.

1st Grade News

Mrs. Greuel

Religion: They did a great job as the song leaders at Mass this week! In class we are learning about Jesus bringing new life during this season!

Science: We made books about living things and are starting animal habitat projects!

Math: They did a great job on their unit 11 test about subtracting tens! We are moving on to measurement!

2nd Grade News

Mrs. Oye

This week we wrapped up Unit 3 in Reading. We read a book called My Food, Your food. In the book the students tried to eat noodles with chop sticks. So we gave it a shot. Thank you Mrs. Steffen for donating the chop sticks. Some of them did a little better than others but they all had fun. They also got Salsa and Chips for snack

Henry passed Addition in XtraMath. Great Job!

We like to listen to Christian music during work time and the kids requested Heavy Metal. So I played them a Christian Rock song and they were all headbanging!

2nd & 3rd Grade News

Mrs. Burkart

Religion and Mass: This week was Sloan's first time serving at Mass! **Job well done, Sloan**. Thank you Annie K. for being a wonderful and kind peer mentor. Thank you also to Father Paul for recognizing our 3rd Grade students when they serve for the first time. We are all very proud of them. Cassandra, Alexander, and Winston did very well as lectors this week.

Our weekly school Mass is really something special!
Check it out for yourself.
Join us every Wednesday at 8:30 am. 💛

Next week, April 22, Alexander will be serving with Elizabeth B.

For God so Loved the World

2nd & 3rd Grade News

Mrs. Burkart

Religion: A week ago the 3rd Grade students learned about Divine Mercy Sunday. They learned about St. Faustina and her visits from Jesus especially the visit when he instructed her to create an image of him. That image is a relic of God's everlasting love and infinite forgiveness. Pope John Paul II canonized Faustina a saint on April 30, 2000, and also established Divine Mercy Sunday on the first Sunday following Easter.

Students celebrated with their own Divine Mercy Sundaes

"Jesus, I Trust in You."

2nd & 3rd Grade News

Mrs. Burkart

Math: The 3rd Grade students continue working on fractions, specifically identifying and finding equivalent fractions using fraction strips and other models. While working online with IXL, students are introduced to various skills in measurement, geometry, algebra, numbers and operations, and data and statistics. Wonderful progress is being made by all students.

Length Time Money Weight *Distance*

25 + _____ = 67

82 - _____ = 42

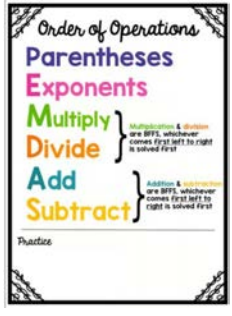

Jake recorded the number of pizzas sold over five days.
Read the chart and answer the questions.

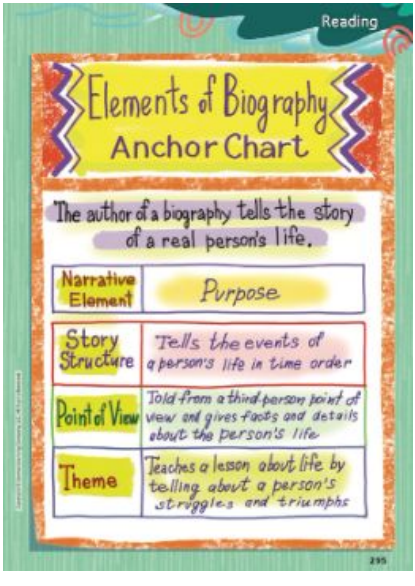

Day	Number of pizzas sold
Monday	
Tuesday	
Wednesday	
Thursday	
Friday	

= 5 pizzas

1. How many pizzas did he sell on Thursday? _____
2. Which day did he sell the least pizzas? _____
3. Which day did he sell the most pizzas? _____
4. Which day did he sell 25 pizzas? _____
5. How many pizzas did he sell on Monday and Wednesday? _____
6. Were more pizzas sold on Monday or Friday? _____
7. How many less pizzas were sold on Friday than Thursday? _____
8. How many pizzas did he sell in five days? _____

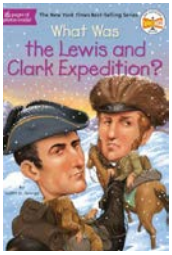

ELA: The 3rd Grade students read a Biography on *Milton Hersey, The Chocolate King*. They are learning about different elements that make up a biography. See attached Anchor Chart.

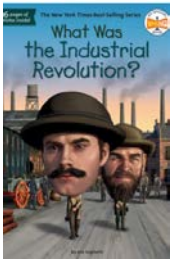

Students will pick their favorite Hershey Chocolate, and write an opinion essay, informative summary of Milton Hershey, and creative poem about chocolate sweets.

2nd & 3rd Grade News

Mrs. Burkart

Social Studies:
The 2nd and 3rd Grade students continue reading their What Was…bookseries, This will help them understand when such events happened in America's history.

Science:
Following the ten day space flight of Artemis II, the 2nd and 3rd Grade students began learning of the importance of this fly-by mission around the moon. The first in 50 years. They also learned about the design of Artemis II, and its different parts and their functions. Students saw a full menu of what foods and drinks the four astronauts ate and drank during their mission.

Students are working together as crews, creating their own spacecrafts using random lego pieces.

4th-8th Grade News

Mrs. Rammer

Grades 4-5 learned about the phases of the moon this week. They made models of the phases out of Oreo cookies.

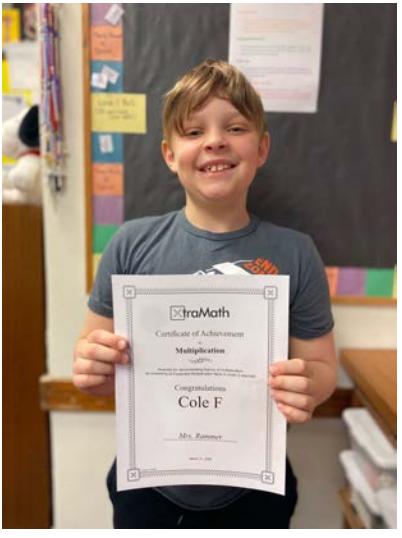

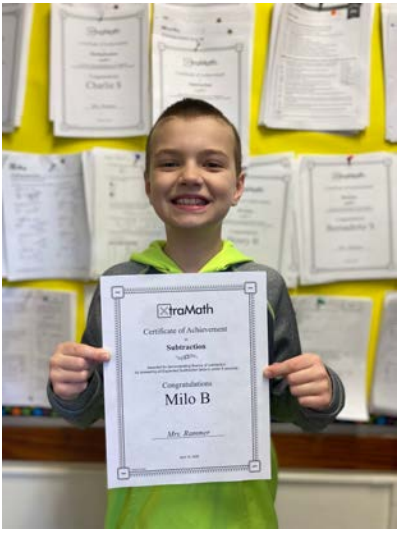

4th-8th Grade News

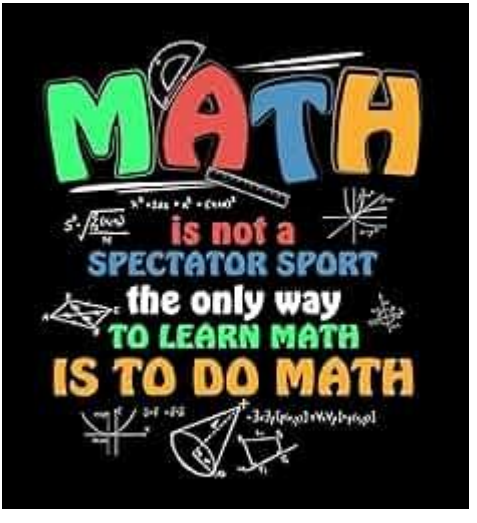

Mrs. Rammer

XtraMath Certificates

Cole - expanded multiplication in 2 seconds
Milo - expanded subtraction in 6 seconds

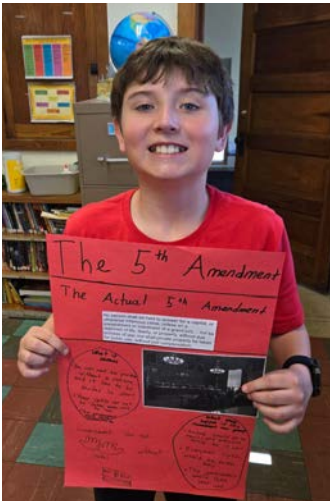

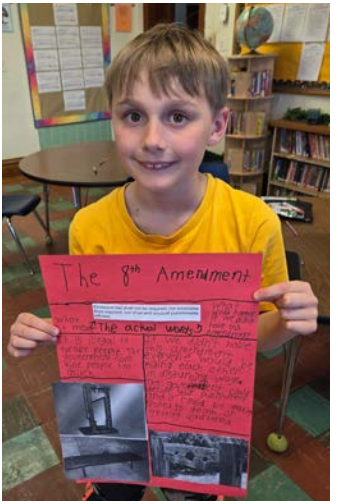

4th-8th Grade News

Mr. Zeleske

Social Studies: This week, the younger students continued learning about the Bill of Rights. The students were each assigned one of the amendments. They made posters explaining what their amendment meant and how the country would be different without it. After that, we learned about other important ideals in the Constitution. The older kids learned about the governments and economies of Australia and the Pacific islands. Now they are working on a project where they create their own island in the Pacific! They had to decide what type of government they would have, how their economy would function, what to invest in, and so on.

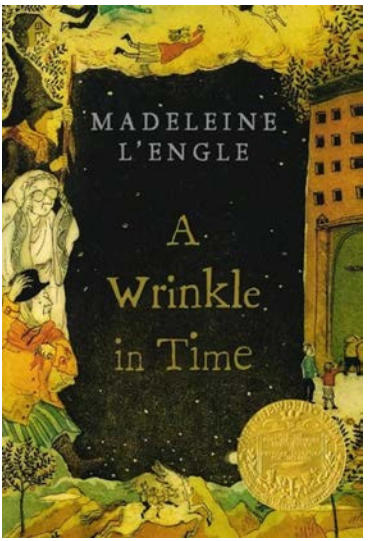

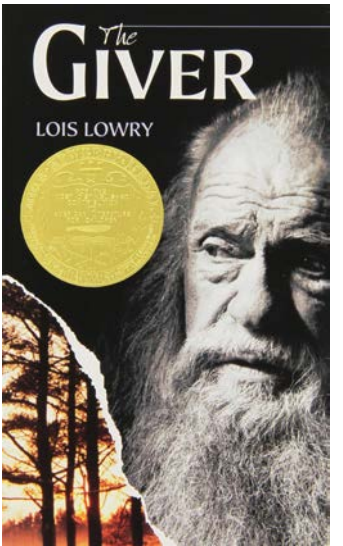

4th-8th Grade News

Mr. Zeleske

Religion: This week, the students have been learning about the Corporal and Spiritual Works of Mercy. We talk about what each Work of Mercy is, and then the students came up with ways that we can live them out in their own lives!

ELA: Both groups of students are now working through their science fiction novel studies! The younger students are reading *A Wrinkle in Time,* while the older students are reading *The Giver*! Our classes consist of taking daily comprehension quizzes, discussing vocabulary words, analyzing figurative language, and making inferences and predictions about the novels.

Four Houses, One Family

Attention all
3rd - 8th Grade students.
Father Paul has shared that the
Holy Cross Church welcomes
anyone interested in being an
Altar Server for the
4:30 pm Mass on Saturdays.

Call the Parish Office
to schedule a time to serve.
