School Wish Lists

Holyland Catholic School relies on family and community support to give our children the best possible faith-filled education. Thank you!

If you wish to help, please click on the teacher's name to see his/her wish list. All donations need to be sent to the school office.

- Mrs. Klein, Holyland Catholic School
- New 3 year old preschool room
- Ms. Jacobs, 3K and 4K
- Ms. Lefeber-Krenn, 5K
- Mrs. Greuel, 1st Grade
- Mrs. Burkart, 2nd and 3rd Grade
- Mrs. Rammer, 4th-8th Grade Math, Science, Religion
- Mr. Zeleske, 4th-8th Grade Social Studies, ELA, Religion
- Ms. Lamb, Art and Phy. Ed.
- Mrs. Steffen, Library
- Mrs. Oye, Learning Support

All School Wish List ~

- Blinds for classrooms and office areas
- 15 student chromebooks
- 2 teacher laptops
- 1 learning support laptop
- Sidewalk chalk
- Smaller fridge/freezer, click here for example

HOLYLAND CATHOLIC SCHOOL

3K and 4K News

Ms. Jacobs

Our seeds have begun to sprout! We are excited to observe them as they continue to grow!

We have been talking all about Earth Day this week! We have been brainstorming ideas on how we can keep God's Earth clean and healthy for all animals and people.

Meteorologist Nathan Himpsl from Channel 5 came to visit! We learned about different kinds of weather, and how to be prepared! We also got to check out the StormTracker!

3K and 4K News

Ms. Jacobs

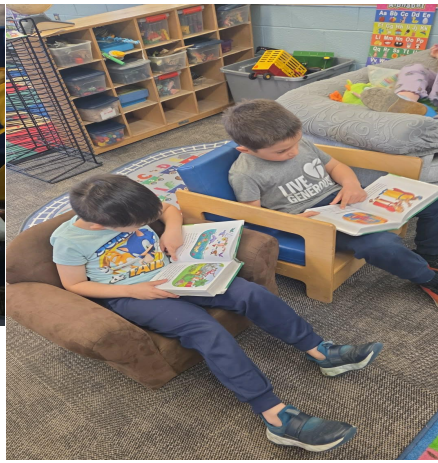
We have begun working on our surprises for moms this week! We are so excited to give them our thoughtful gifts as Mother's Day approaches!

For Earth Day, we made hats and did an "Earth Day Scavenger Hunt" to look at all the wonderful things God put on this Earth!

Thank you to Fr. Paul for coming in on Wednesday to visit! Thank you to our recent guest readers: Mrs. Sabel,. Mrs. Dowland, and Mrs. Meyer!

5K News

Ms. Lefeber-Krenn



In Math they are doing really well on 2-D and 3-D shapes. They are are working hard at describing where objects with shapes are found in the room! **For Earth Day,** we made an Earth person and wrote a story about why the earth is happy or sad. We like to now go to our quiet corners to write.

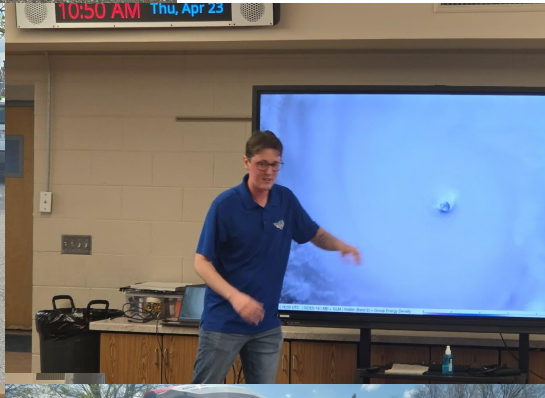
Been busy working on special projects!!

5K News

Ms. Lefeber-Krenn

For Mass, Veda, Zelie, and Peter brought up the gifts and did great! The weather man was fun to have visit and answer all of our weather related questions.

Learning about what it takes to be a meteorologist. Thank you Channel 5!!



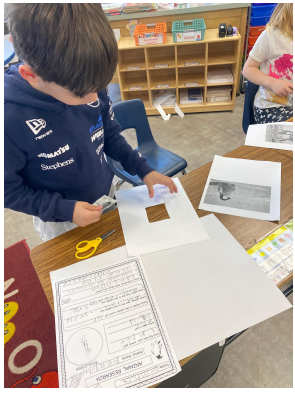
Thank you Ms. Jacobs for arranging this visit. Everyone sure enjoyed it!

1st Grade News

Mrs. Greuel

Religion: Franklin, Charlotte and Zachary did a wonderful job with the readings at Mass this week! We have also enjoyed talking about family and how special we are in class this week.

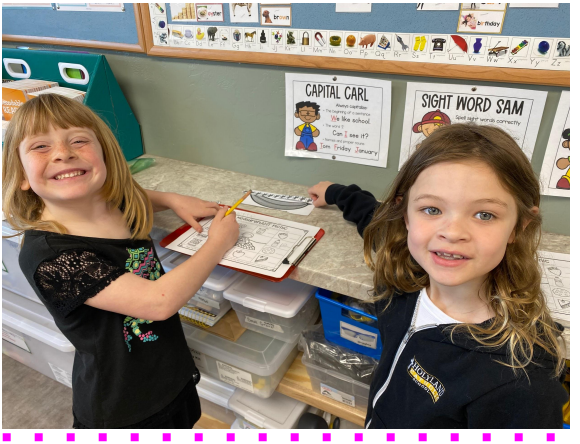
Science: They did a great job with their animal projects! We also celebrated Earth Day with a craft and wrote ways we can take care of the Earth.



1st Grade News

Mrs. Greuel

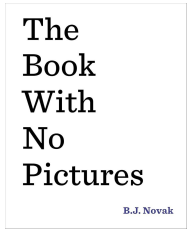
ELA: We're enjoying reading "The Chocolate Touch" as a class, we're about halfway through the story. They did very well with our tough spelling words this week with endings -es and -ing.

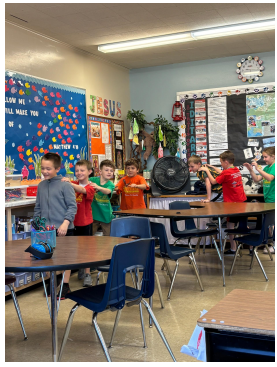


Math: Our measuring unit has been a lot of fun! They have been working together to measure items using cubes, string and paper clips. We also did a measurement write the room picnic.

2nd Grade News

Mrs. Oye





Nora read The Book With No Pictures to the class. They loved all the silly words she had to say.

Learning about grammar is more fun with School House Rock! Today, we learned about adverbs but had to watch Conjunction Junction too!

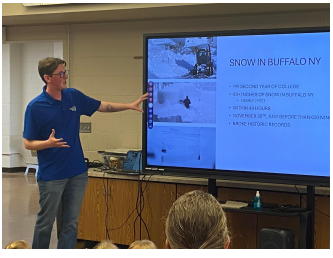
The students enjoyed the visit from Channel 5 Meteorologist Nathan Himpsl. They learned about the types of weather and what it is like to be a meteorologist!

4th-8th Grade News

Mrs. Rammer

Grades 4-5 led the singing at Mass this week.

Staff and students alike enjoyed a visit from meteorologist, Nathan Himpsl, of Channel 5 News.
Channel 5 News Article & Video



IXL Math Leaderboard, April 13-19, Grades 4-5

1		Joseph Fuhrmann	9 skills mastered
1		Wyatt Puetz	9 skills mastered
2		Levi Ziegelbauer	7 skills mastered
3		Charles School	6 skills mastered

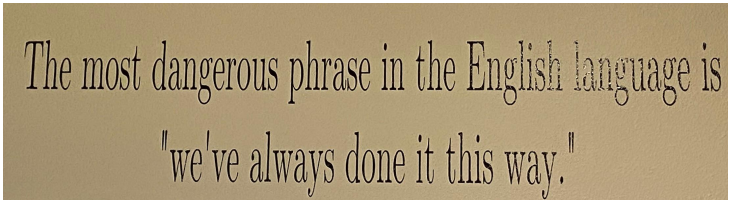
4th-8th Grade News

Mrs. Rammer

Thank you to ARCH Solar Electric and to our volunteer drivers for generously making our field trip possible this week!

Our field trip to ARCH Solar Electric in Plymouth was fittingly rescheduled to the week in which we celebrated Earth Day, as ARCH is committed to providing sustainable energy generated by the sun. With a humble beginning in the basement of a farmhouse, ARCH is now experiencing growth and success thanks to the company's ingenuity and core values. Providentially, these core values aligned with several virtues students in grades 6-8 have recently discussed in religion class!

A - Accountability
R - Respect
C - Commitment
H - Honesty



"Go with purpose.
Do your best.
Do what's right.
Improve daily.
Show you care.
Never quit."

4th-8th Grade News

Mr. Zeleske

Social Studies: The 4th and 5th graders spent the week learning about amendments to the Constitution and how they changed America. The 6th-8th graders learned about the challenges facing Australia and the Pacific today, such as rising sea levels. Now, both groups are preparing for their tests. Make sure your child studies this weekend!

Religion: The students finished learning about the Works of Mercy, then started preparing for their test on the Beatitudes!

To review, the students even acted out the Beatitudes. Then the other kids had to guess which Beatitude was being acted out! Here, they acted out “Blessed are those who mourn.”

4th-8th Grade News

Mr. Zeleske

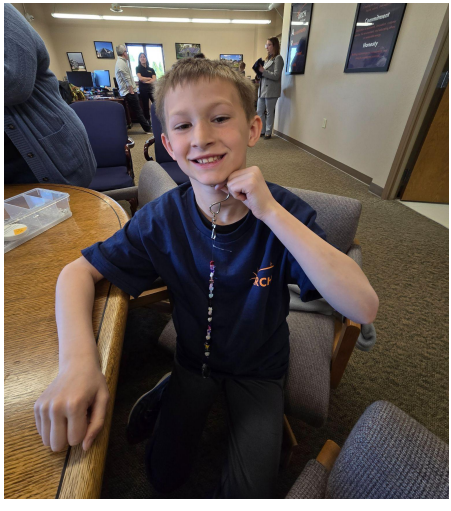
ELA: Both groups of students are continuing to work through their novel studies right now. The younger students are reading *A Wrinkle in Time,* while the older students read *The Giver.* Our classes consist of daily comprehension quizzes, vocabulary work, inferences, and discussions of literary elements. In particular, the younger students are working on context clues and characterization, while the older students are focused on setting, theme, and word parts!

Here, the older students examined the setting of the novel. They made a hierarchy of jobs in *The Giver's* community (left), and a list of rules that the community has to follow (right).

4th-8th Grade News

Mr. Zeleske

The 4th-8th grade students also had the opportunity to visit Arch Solar this week, a company that installs solar panels throughout the United States! Here, they learned about renewable energy, engineering, and the importance of having good values as a business. The students even got to make their own sun catchers!



ARCH SOLAR
20 YEARS OF ENERGY EXPERTISE

Music, Phy. Ed., Art, Library

Four Houses, One Family

The inaugural meeting of the Recess Sign Language Club. This club was created and planned by the students. Great Job to the club leaders, they were very prepared.

S.T.R.E.A.M

Students practicing critical thinking skills with brain teasers and riddles during STREAM.
